

Dear brothers and sisters,

I greet you from fullness of my heart and wish you plenty peace and rejoicing (Phil 4,19).

As you already know, during the first Advent weekend (30th November - 01st December), we organized „**Krist Dar 2013**“ event.

We are very satisfied. After the musical performed by international team „M18“ (Brasil, Norway, Croatia) about violence and bullying between young people, we offered children and teenagers (if they are interested) to learn - with support of instructors from “M18” - musical dancing during the next year. About 60 children and teenagers are interested to learn. This is wonderful! But, now we have many different needs for which in this moment we don't have solutions: to find good place for their exercises, to find sponsors (expense for rent and heating, expense for instructors - their transport, livelihood and daily allowance), to develop good relations between children, teenagers, their parents and us, and - finally - to meet them with the Good News of Jesus Christ.

On the second day of this event, musician Ksenija Sopic from Zagreb with her friends held a concert of her own Christian songs. At the end, I encouraged everybody to be ready to receive new life in Jesus Christ.

Dear friends, may you pray together with us for these children, youth and all others who have been exposed to evangelical message.

Thank you for your help and support. If you are interested to assist me financially, you can do it through Leading Edge International.

Online givers can [click on this link](#) or mail a check payable to Leading Edge International to: PO Box 1893 • Noblesville, IN 46061. US Donors will receive a tax deduction.

Thank you for your love. I would like us to be honest and sincere partners in this, as well as in any other God's work He has for us, that we help each other and together learn and grow - for His glory!

May you have a blessed Christmas and a Happy New Year!

With you in Christ,

Zvonko Kovacic
